

# School Program Quick Planner

World Science Festival Brisbane (WSFB) 2024 ignites your students' imagination and gets them excited about tackling all things STEM. Following feedback from our dedicated teacher audience, we have updated the 2024 program to better suit your class needs. Programs have been designed to encourage a strong STEM literacy from Prep-Y12, with links to Queensland curriculum and more targeted year ranges and subjects, as requested by you.

Presented with QPAC.

# TICKETS

All tickets for School Program are \$10 per student per session as part of a group booking.

## BOOKINGS
